

Roanoke Valley Pony Club 2017 Frolic Series

Green Hill Park Equestrian Center
Salem, Virginia

Sponsorship Form

RVPC hosts a series of three equestrian competitions each year called the Frolic Series. Shows are held in April, July, and September. The competitions involve a dressage test and a stadium jumping round, and the Spring and Fall shows also offer a cross country clinic. These competitions and clinics are our club's main fundraiser each year. Funds raised from the Frolic Series go to support our members' riding education by helping to pay for our mounted meetings where we receive lessons from various instructors. We'd really appreciate your support! (In the event of cancellation due to weather, your donation will be used to support the club at the rescheduled event.)

Name of Sponsor: _____

Address: _____
