

# Roanoke Valley Pony Club 2015 Frolic Series

Green Hill Park Equestrian Center  
Salem, Virginia

## Vendor Spot Rental Form

RVPC hosts a series of three equestrian competitions each year called the Frolic Series. Shows are held in April, July, and September. The competitions involve a dressage test and a stadium jumping round, and the Spring and Fall shows also offer a cross country clinic. These competitions and clinics are our club's main fundraiser each year. Funds raised from the Frolic Series go to support our members' riding education by helping to pay for our mounted meetings where we receive lessons from various instructors.

These competitions usually involve about 50 to 75 people on grounds in attendance, all of them interested in horses and horse sports in one way or another. Competitions run from about 8 am until 3 or 4 pm.

Vendor spots (10' by 10') are available for rent for information sharing and/or selling of non-food items. (RVPC will have concessions for sale on grounds.) Spaces will be marked, but you supply any needed items (i.e. tent, table, chairs). Limited spots available; first come, first served. Each spot is \$10, and you may choose one, two, or all three show dates.
